

ENOS Super Plus 15W40

ENOS Super Plus 15W40 is a high performance motor oil designed for use in diesel engines. It provides excellent protection against wear, oxidation, and sludge formation, ensuring long engine life and optimal performance. The oil is formulated with advanced additives to provide superior lubrication and protection under heavy load conditions.

- **Excellent Lubrication:** Provides superior protection against wear and tear, ensuring long engine life.
- **Superior Oxidation Resistance:** Prevents oil degradation and sludge formation, maintaining optimal engine performance.
- **Advanced Additives:** Formulated with advanced additives to provide superior lubrication and protection under heavy load conditions.
- **Wide Temperature Range:** Suitable for use in a wide range of temperatures, from cold starts to high operating temperatures.
- **Low Sulfur Content:** Meets the requirements for low sulfur diesel engines, reducing emissions and protecting catalytic converters.
- **Excellent Fuel Economy:** Reduces friction and improves engine efficiency, resulting in better fuel economy.
- **Easy Maintenance:** The oil is easy to handle and pour, making maintenance simple and convenient.
